**SUBJECT: Comments on Revisions to the Enforcement Policy**

Dear Mr. Borchardt:

As we discussed in our telephone conversation yesterday, NEI, on behalf of the nuclear energy industry, is preparing comments on the revised Enforcement Policy published in the Federal Register, May 1, 2000. Given the extensive revisions made to the Policy, NEI wishes to submit comprehensive comments to the NRC on this important subject. Thus, this letter is to confirm our understanding that NEI's comments, which will be submitted by June 15, 2000, will be given full consideration by the NRC, even though the formal comment period has not been extended.

Sincerely,
