The Honorable Jimmy Wilkey
Rhea County Executive

Suite 215

Dear Mr. Wilkey:

I recently conducted a public meeting at the Rhea County Courthouse on June 12, 2000. The purpose of this meeting was to provide a presentation of the Nuclear Regulatory Commission's recently revised reactor inspection and oversight process. I want to thank you for allowing us to use the facility, and also express my appreciation for the help and cooperation from your staff in coordinating access to the courthouse. The meeting went off very well and the Chancery Courtroom was an ideal location for our discussion. I think we spent more time talking about the sense of history that we all felt from being in the courtroom, then we did discussing my presentation. Thanks again for your help.

Sincerely,

/RA/
