**re: Physical Security Plan for Private Fuel Storage, LLC, ISFSI , Docket No 72-22
Designation of Personnel Authorized to Have Access to Physical Security Plan**

Dear Sherwin:

I refer to our telephone conversation last week with Jay Silberg and to our telephone conversation today where we discussed the names of the individuals who wish to have access to the safeguards information.

This letter confirms our agreement that the following individuals will be designated to have access to the PFS Security Plan:

State of Utah: 3 Attorneys: Denise Chancellor, Fred Nelson and Connie Nakahara
1 Paralegal: Jean Braxton
2 Secretaries: Karma Pathakis and Rebecca Waldron

PFS 2 Attorneys
 2 Secretaries
 1 Nuclear Regulatory Specialist

I do not have the names of the PFS designated individuals but they may be the 5 people named in Jay Silberg's November 19 response to the State's motion for protective order (Ernest Blake, Paul A. Gaukler, William Hollaway, Virginia Seymour and Kimberly Steele). Mr. Silberg has independent authorization to access the Security Plan.

NRC Staff 1-2 technical people
 2 attorneys
 2 secretaries

These individuals will be named if the Staff is also required to submit names for the protective order.

This letter is solely for the purpose of agreeing to designation of personnel. Access to safeguards information in this proceeding will not occur until after issuance of the Protective Order and execution of affidavits.

Sincerely,

Denise Chancellor
Assistant Attorney General
