ASLBP No. 97-732-02-ISFSI

October 24, 1997

MEMORANDUM AND ORDER

(Schedule for Prehearing Conference/Site Visit
and Responses to Supplemental Petition)

In its October 17, 1997 memorandum and order, the Licensing Board indicated it would reschedule the prehearing conference and site visit previously planned for the week of November 17, 1997. The Board now plans to hold the prehearing conference and site visit the week of January 26, 1998. As before, the prehearing conference will be in the Salt Lake City, Utah area. The Board anticipates that the site visit will take half a day and that the prehearing conference will last at least two days.

Any participant that has potential scheduling conflicts the week of January 26 should contact the Board Chairman immediately at (301) 415-7454.

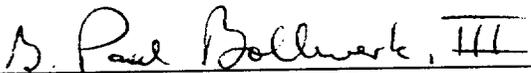

In addition, any participant that wishes to file a response to the October 15, 1997 Supplemental Memorandum in

Support of the Petition of the Confederated Tribes of the Goshute Reservation and David Pete to Intervene and for a Hearing may do so in conjunction with any other hearing request/intervention petition supplement responses it files on or before the December 22, 1997 date for responses established in the Board's October 17 memorandum and order.

Finally, correcting a typographical error in the Board's October 17 memorandum and order, the filing deadline for responses to the applicant and NRC staff filings regarding the question posed in paragraph III.A of the Board's October 17 issuance is Wednesday, January 7, 1998.

It is so ORDERED.
