**PETITION TO THE ATOMIC SAFETY AND LICENSING BOARD
AND THE NUCLEAR REGULATORY COMMISSION
BY CONCERNED CITIZENS OF THE STATE OF UTAH**

We, the following citizens of the State of Utah hereby Petition the Atomic Safety and Licensing Board and the Nuclear Regulatory Commission to allow the Scientists for Safe Nuclear Waste Storage and the Atlantic Legal Foundation to participate in the licensing hearings of Private Fuel Storage, LLC. The public interest of the nation is best served by allowing informed and accurate scientific knowledge at the licensing hearings on the proposed storage of spent nuclear fuel on the Skull Valley Goshute Reservation. We do not endorse or oppose the proposal by signing this petition. We simply support the concept of academic freedom in discussing important public policy issues and therefore encourage the participation of these scientists in this litigation.
