**STATE OF UTAH'S PROPOSED CORRECTIONS TO THE
REVISED TRANSCRIPT OF THE PRE-HEARING CONFERENCE**

In response to the Board's February 9, 1998, Order, on February 17, 1998, the State submitted proposed corrections to the original transcript of the pre-hearing conference held on January 27-29, 1998. The Board's March 5 and 10, 1998 Orders advised that it had requested the court reporter to re-transcribe the original transcript and invited participants to submit proposed corrections to the revised transcript. The State hereby submits, as Exhibit 1, its proposed corrections to the revised transcript and requests the record be changed accordingly.

Upon reviewing the revised transcript, the State found that approximately half of its proposed corrections submitted on February 17 had not been made. By comparing the original transcript with the re-transcription, the State found that, in some cases, additional words that had been inserted into the re-transcription confused rather than clarified the logical meaning of the speaker's words. The State has made a concerted effort to address these particular areas so that the speaker's words are

rendered logical and reasonable. However, in a few places, the State has suggested some word or words be simply omitted with no replacement words inserted because it was impossible to discern how to change the transcript. This confusion is reflected by "[?]" in the "Insert" column on Exhibit 1.

In the Board's March 5 and 10, 1998 Orders, it also invited participants to make any resulting transcript citation changes in pleadings filed subsequent to the January 1998 prehearing conference. The State notes that in the only pleading (State of Utah's Opposition to Amended Petition to Intervene) where the State refers to the transcript (at page 3 of this pleading), the transcript citation, transcript page 30, remains the same in the revised transcript.

DATED this 20th day of March, 1998.

Respectfully submitted,
