Docket No. 72-22-ISFSI

ASLBP No. 97-732-02-ISFSI

May 8, 1998

MEMORANDUM AND ORDER

(Schedule for Reconsideration Motion
Responses and Joint Status Report)

In its May 1, 1998 order, the Board outlined a preliminary schedule relative to reconsideration motion responses and the joint status report required under LBP-98-7, 47 NRC ____, ____ (slip op. at 162-63) (Apr. 22, 1998). After reviewing the four reconsideration requests filed, the Board asked the NRC staff, which previously filed an unopposed motion for extension of time for filing reconsideration requests, as a courtesy to the Board to poll the parties on whether they would be available for the scheduled May 19, 1998 prehearing conference on either of two alternative dates later that same week. The Board advised the staff that agreement on one of these dates would then permit a short extension of the tentative filing dates for reconsideration responses and the joint status report.

The staff has reported back to the Board that no agreement could be reached on the alternative dates.

Accordingly, the Board adopts the following schedule for reconsideration motion responses and the joint status report:

Wednesday, May 13, 1998 -- Reconsideration Motion Responses (each party to file a single consolidated response not to exceed forty pages in length)

Friday, May 15, 1998 -- Joint Status Report¹

The prehearing conference remains scheduled for Tuesday, May 19, 1998, at 1:00 p.m. EDT (11:00 a.m. MDT) in the Rockville, Maryland and Salt Lake City, Utah locations specified in LBP-98-7, 47 NRC at ___ (slip op. at 164). The Board still has not heard from the Skull Valley Band of Goshute Indians as to whether it intends to participate in person in Rockville or by teleconference from Salt Lake City. The Board assumes it will be represented at one of these two locations.

Relative to their reconsideration motion responses, the parties should be aware of a typographical error on slip opinion page fifty-eight of LBP-98-7. In the sixth line from the top of the page, the reference to "Part 72" should read "Part 71". This and other corrections to LBP-98-7, as

well as corrections to the January 27-29, 1998 revised hearing transcripts, will be incorporated in an order to be issued by the Board in the near future.

The filings required or permitted under this memorandum and order should be served on the Board, the Office of the Secretary, and counsel for the other participants by facsimile transmission, e-mail, or other means that will ensure receipt by close of business (4:30 p.m. EDT) on the day of filing. See Licensing Board Memorandum and Order (Initial Prehearing Order) (Sept. 23, 1997) at 5-6 (unpublished); Licensing Board Memorandum and Order (Additional Guidance on Service Procedures) (Nov. 19, 1997) (unpublished).

It is so ORDERED.
