(Independent Spent Fuel)	
Storage Installation))	October 15, 1998

**STATE OF UTAH'S MOTION FOR LEAVE TO REPLY TO
APPLICANT'S AND STAFF'S RESPONSES TO STATE'S
CONTENTIONS RELATING TO THE LOW RAIL
TRANSPORTATION LICENSE AMENDMENT**

On August 28, 1998 the Applicant amended its license application to account for a new transportation corridor and a change in the location of the Rowley Junction intermodal transfer facility. On September 29, 1998, the State filed Contentions HH and II, and amended the basis for Contention B. The NRC Staff and the Applicant filed responses to the State's Contentions on October 14, 1998.

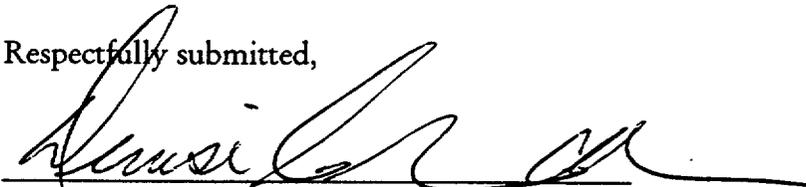

Pursuant to Board's Memorandum and Order of February 2, 1998 (Memorializing Initial Prehearing Conference Directives), the State motions for leave to reply to the Staff's and Applicant's responses. According to the Board's Order, a reply by the State would be due within ten days of the date the Staff and Applicant filed their responses (*i.e.*, on or before Monday,

October 26, 1998). Order at 4, n. 3. The State would limit its reply to ten pages or less.

Counsel for the Applicant will not oppose the Motion. Counsel for the NRC Staff does not oppose the State filing a reply to address the late-filed factors and Contention HH.

DATED this 15th day of October, 1998.

Respectfully submitted,

Denise Chancellor, Assistant Attorney General
Fred G Nelson, Assistant Attorney General
Diane Curran, Special Assistant Attorney General
Connie Nakahara, Special Assistant Attorney General
