In the Matter of
Private Fuel Storage L.L.C.
(Independent Spent Fuel Storage Installation)
Docket No. 72-22-ISFSI

Dear Administrative Judges:

In my letter to you dated February 17, 1998, concerning the NRC Staff's determination to grant the pending request for confidential treatment under 10 C.F.R. § 2.790, I provided a transcript citation to a discussion of Utah Contentions EE through GG, as "See Tr. at 197." This citation refers to the initial version of the transcript, which was incorrectly paginated but has since been corrected. The citation should be corrected to read, "See Tr. at 437."

Sincerely,

A handwritten signature in black ink that reads "Sherwin E. Turk".

Counsel for NRC Staff
