In the Matter of
Private Fuel Storage L.L.C.
(Independent Spent Fuel Storage Installation)
Docket No. 72-22-ISFSI

Dear Administrative Judges:

This letter pertains to my E-mail message of December 18, 1998, in which I indicated that the NRC Staff may have inadvertently disclosed certain proprietary information in the Staff's Requests for Additional Information (RAIs) of December 10, 1998. In order to preserve the confidentiality of that material, the Staff has requested that all persons to whom the Staff transmitted the RAIs return any copies of the RAIs that are in their possession or that they provided to other persons.

I have received the Licensing Board's copies of the Staff's RAIs. By copy of this letter, I wish to request that any parties who have not already done so please return to me, at their earliest opportunity, their copies of the RAIs and any copies they may have provided to other persons. The Staff will forward replacement copies of the RAIs to the Licensing Board and parties shortly.

I regret any inconvenience that this error may have caused, and appreciate the assistance of the Licensing Board and parties in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Sherwin E. Turk".

Sherwin E. Turk
Counsel for NRC Staff
