In the Matter of  
Private Fuel Storage L.L.C.  
(Independent Spent Fuel Storage Installation)  
Docket No. 72-22-ISFSI

Dear Administrative Judges:

In accordance with our telephone conference last week, Counsel for Private Fuel Storage, L.L.C., the NRC Staff and the State of Utah wish to propose the following combined schedule for litigation of the remaining Group I and Group II contentions in this proceeding:

<i>SER to be issued</i>	10/31/99
Additional discovery window	11/15/99 - 1/31/00
Staff position on Group I/II contentions	12/15/99
Discovery against Staff	12/15/99 - 2/15/00
Motions for summary disposition due	2/1/00
Responses to SD motions	2/21/00
Replies to SD responses	3/1/00
Decision on summary disposition	3/31/00
Pre-filed testimony	5/15/00
Motions in limine	5/31/00
Hearings	6/19-7/28/00
Findings of fact	8/28/00
Findings of fact responses	9/28/00
Initial decision	11/29/00

The parties believe that, in light of the limited number of Group I contentions that would be ready for hearing under the existing schedule, and for other reasons stated during the telephone conference, adoption of the above litigation schedule is appropriate.

Sincerely,

A handwritten signature in cursive script that reads "Sherwin E. Turk".
