Re: Additional Chapter from User's Guide

Dear Ms. Curran:

Per your request today, I am having a copy of "Chapter 18, Alphanumeric Output" from the FLUENT User's Guide sent by overnight mail (Monday delivery) directly to Dr. Marvin Resnikoff at his office at Radioactive Waste Management Associates, 526 West 26th Street, Suite 517, New York, New York 10001 (212)620-0526.

This material is proprietary and confidential, and therefore must be held confidential by the State pursuant to its agreements with Private Fuel Storage, L.L.C. and with Holtec International. In order to meet your request to provide this information immediately, we have not had time to stamp each page confidential, as the preceding chapters of the User's Guide have been. By this letter, you are on notice that every page of Chapter 18 of the User's Guide as sent to Dr. Resnikoff is proprietary and must be so treated.

Sincerely,

William R. Hollaway
