Subject: Personnel Changes at the Ward Center for Nuclear Sciences

Dear Commission:

Recently some personnel changes have occurred within the Ward Center for Nuclear Sciences (WCNS) administrative and staffing structure. WCNS is the administrative unit responsible for the oversight and operation of the two NRC licensed nuclear reactors that are owned by Cornell University.

- Mr. Scott Lassell (Reactor Supervisor) accepted a position at North Carolina State University and will be leaving Cornell at July 31, 2000.
- Mr. Howard Aderhold's part time employment as manager of technical services terminated at June 30, 2000.

With the approval of Reactor Safety Committee the following appointment has been made:

- Mr. Paul Craven (Senior Reactor Operator and Chief Responsible Person for TRIGA) was appointed as Acting Reactor Supervisor effective June 30, 2000. Mr. Craven is a member of Ward Center for Nuclear Sciences staff since 1965. Mr. Craven obtained his Reactor License in 1968 and his Senior Reactor License in 1972. He is also Chief Responsible Person for TRIGA since 1972. Mr. Craven will be Acting Reactor Supervisor until a new Reactor Supervisor recruited and trained for SRO for Cornell facilities.
- Mr. Martin Moravek (Reactor Operator and Responsible Person for Gamma Cell) was appointed as Ward Center Radiation Safety Officer effective June 30, 2000. Mr. Moravek is a member of Ward Center Staff since 1998. He obtained his Reactor License in October 1999. He is Responsible Person for Gamma Cell operation, and he is performing radiation surveys and health physics measurements at the Ward Center since 1998.
