Per our telephone conversation today, please find enclosed a copy of NRC Form 314, titled "Certificate of Disposition of Materials," and a Request for Termination of NRC License letter. Please complete the enclosed forms and submit a request to terminate your license with the appropriate documentation to support the request for termination (i.e. - radiation survey results). Also, as discussed the NRC RII contact for decommissioning activities is Jay Henson (404-562-4738; JLH@NC.GOV). If you have any questions or need further assistance with this matter, please feel free to call me.
