Secretary of the Commission
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001
Attn: Rulemakings and Adjudications Staff

Gentlemen:

**Subject: Siemens Power Corporation's Comments on the Proposed Revision to 10
CRF Part 70**

Siemens Power Corporation (SPC) has participated with the Nuclear Energy Institute's (NEI's) Facility Operations Steering Committee in a review of the subject proposed rule. SPC agrees with the comments forwarded by NEI on behalf of the industry in its October 13, 1999 letter.

Very truly yours,

James B. Edgar
Staff Engineer Licensing
