

July 14, 2000

Mr. J. V. Parrish
Chief Executive Officer
Energy Northwest
P.O. Box 968 (Mail Drop 1023)
Richland, WA 99352-0968

SUBJECT: REVISIONS 30, 31, 32, AND 33 TO THE WNP-2 OPERATIONAL QUALITY
ASSURANCE PROGRAM DESCRIPTION (TAC NO. MA8770)

Dear Mr. Parrish:

By letters dated April 6 and April 26, 2000, Energy Northwest provided the annual submittal of changes made to the WNP-2 Operational Quality Assurance Program Description (WPPSS-QA-004/EN-QA-004) under the provisions of 10 CFR 50.54(a)(3).

This regulation was amended on April 26, 1999, to exclude certain changes that are not considered to be reductions in commitments. The licensee submitted Revisions 30 and 31 as changes that explicitly do not reduce commitments and Revisions 32 and 33 as changes within the scope of the direct final rule, incorporated into the amended 50.54(a)(3) regulation.

Because the licensee has determined that the changes to the quality assurance program incorporated under Revisions 30 through 33 are not subject to the amended 50.54(a)(3) regulation, no NRC approval is required and the annual submittal would be more properly submitted under the provisions of 10 CFR 50.71(e).

If you have any questions, please contact me at (301) 415-1424.

Sincerely,

/RA/

Jack Cushing, Project Manager, Section 2
Project Directorate IV & Decommissioning
Division of Licensing Project Management
Office of Nuclear Reactor Regulation

Docket No. 50-397
