

NOTE TO: File NR-8116-D801-E & Reviewer

From: Ujagar S. Bhachu /**RA**/

Since the last review no design or product changes were made. Therefore, no technical review or a safety evaluation was performed. A checklist was not prepared for the inactivation of registration certificate NR-8116-D-801-E.

Statements were added to the certificate (1)This certificate is inactivated, and (2) the manufacturer stated that he did not obtain a license, manufacture or distribute the SN Series of smoke detectors.
