Re: Data Submitted by McLaren Hart

Dear Steve:

Please accept this letter as authorization for McLaren Hart to submit data on behalf of Prometcor. This data information is soil sampling data from the soil piles that resulted from the excavation beneath the former Buildings 1-5 and Area E.

In addition, Prometcor requests an amendment of its NRC license allowing disposal of this soil.

If you should need anything further or have any questions, please contact me.

Thank you for your help.

Sincerely,

Daryl K. Holcomb
Vice President &
Chief Financial Officer
