

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555-0001

July 24, 2000

Mr. Dan Jennings, Chairman  
ASME NQA-1 Subcommittee on Program Management Processes  
Duke Engineering and Services  
400 South Tryon St.  
P.O. Box 1004  
Charlotte, NC 28282-0100

Dear Mr. Jennings:

We wish to change the NRC staff member on the ASME NQA-1 Subcommittee on Program Management Processes. Mr. Owen P. Gormley has been the staff member on the Subcommittee and will be replaced by Mr. Larry L. Campbell. A completed application form for Mr. Campbell is enclosed.

In accordance with OMB Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities," February 19, 1998, the participation on a committee of an authorized representative does not connote agency agreement with, or endorsement of, decisions reached by the committee's efforts. Agency representatives participating on standards developing groups will, to the extent possible, ascertain the views of the agency on matters of interest and will express views that are consistent with established agency views.

Correspondence should be addressed to:
