This is a request under the Freedom of Information Act (FOIA). We are respectfully requesting a listing of all NRC permittees in Puerto Rico (regardless of size) and a listing of warnings and/or violations that have been given to such Puerto Rico facilities. This information may be a simple listing or print out. We do not need full copies of the facility files or case files.

This information will be used for marketing purposes in order to bring into compliance various facilities that were brought to our attention, were not in compliance and are in need of regulatory assistance.
