Thank you. I am surprised there are so few certificates. John H

Good morning, John!

Tooltech and Yachting are authorized to distribute Trijicon gun sight and hand held compass, respectively. No SSD certificates were issued to them.

Thank you very much and have a nice day.

Seung

Seung: Can you check to see what the following licensees distribute:  
Tooltech Machinery, Michigan, Lic. No. 21-24662-02E  
Yachting Electronic, , NC, Lic. No. 32-23811-01E.  
Do they have any SSD sheets issued to them?  
John H

Good afternoon, John!

I called Mr. Joe Tchira of LitePro and told him that currently NRC does not need any other information from LitePro so do not spend any resources until NRC contact him within 30 days. During that time, NRC will conduct internal review of the other applications.

On the other hand, I checked NSS&DR System and found that there were 11 cases NRC issued registration certificates as exempt products using tritium as self-luminous source:

1. Compasses  
NR-0210-D-101-E, Cammenga & Associates  
NR-0622-D-102-E, Stock & Yale
2. Watches  
NR-0352-D-102-E, Hesco  
NR-0446-D-103-E, mb-Microtec  
NR-0505-D-101-E, Marathon Watch Co.  
NR-0635-D-101-E, Texas Time
3. Gun and/or Bow Sights  
NR-0352-D-101-E, Hesco (gun)  
NR-0365-D-101-E, 21st Century Technologies (gun)  
NR-0418-D-101-E, Trijicon (gun)  
NR-1028-D-101-E, Trilux (gun and bow)

3. Etc. (Personal Markers)  
NR-0352-D-103-E, Hesco

I'll review background files for personal markers (NR-0352-D-103-E) and gun and bow sights (NR-1028-D-101-E) and brief you. If you have any comments, please let me know.

Thank you very much and have a nice day.

Seung
