Discussion

A typographical error has been identified in NRC Regulatory Issue Summary (RIS) 2000-10, "Technical Information to Facilitate Public Access to the U.S. Nuclear Regulatory Commission's Agencywide Documents Access and Management System (ADAMS)" (ML003682231), that was issued on June 30, 2000. The error occurs in the URL on page 2. The incorrect URL, < <http://www.nrc.com/NRC/ADAMS/index.html> > should be corrected to read as follows: < <http://www.nrc.gov/NRC/ADAMS/index.html> >. That is, ".gov" should replace ".com" in the URL.

Please note that the URL has been corrected in the official agency record of RIS 2000-10 in ADAMS, and in the electronic copy on the NRC Website.

If there are any questions about this matter, please contact the NRC Public Document Room, 202-634-3273 or 800-397-4209, or E-mail: < [pdr@nrc.gov](mailto:pdr@nrc.gov) >.
