SUBJECT: REVISED REACTOR OVERSIGHT PROGRAM MEETING SUMMARY.

Dear: Mr. Rueger:

Attached is a copy of the presentation slides that I used during the June 29, 2000 public meeting that was held in the Embassy Suites at San Luis Obispo, California. This meeting was held to inform the public about recent changes to the NRC reactor oversight program. Copies of NUREG-1649, "New NRC Reactor Inspection and Oversight Program," Revision 2, were also provided at the meeting. Following a brief presentation, I answered questions from interested members of the public. I appreciate that your staff was also available to answer questions from the public.

Sincerely,

/RA/

Linda J. Smith, Chief
Project Branch E
Division of Reactor Projects
