SUBJECT: REVISED REACTOR OVERSIGHT PROGRAM MEETING SUMMARY.

Dear: Mr. Dugger:

Attached is a copy of the presentation slides that I used during the May 9, 2000 public meeting that was held in the St. Charles Parish Courthouse in Hahnville, Louisiana. This meeting was held to inform the public about recent changes to the NRC reactor oversight program. Copies of NUREG-1649, "New NRC Reactor Inspection and Oversight Program," Revision 2, were also provided. Following a brief presentation, I answered questions from interested members of the public. I appreciate that you and your staff were also available to answer questions from the public.

Sincerely,

*/RA/*

Linda J. Smith, Chief  
Project Branch E  
Division of Reactor Projects
