OFFICE OF CIVILIAN RADIOACTIVE WASTE MANAGEMENT (OCRWM) LESSONS  
LEARNED/PROGRAM CLARIFICATIONS (SCPB: N/A)

Based on Information Request No. 95-013, the Office of Quality Assurance (OQA) will include the County of Inyo, California, on distribution of all future Lessons Learned/Program Clarifications.

The Lessons Learned/Program Clarifications are the result of feedback from Affected Organizations and experience gained from the implementation of the OCRWM Quality Assurance Requirements and Description (QARD). The QARD users may recommend Lessons Learned or request interpretation from OQA.

Since the inception of this program, six Lessons Learned/Program Clarifications have been issued, with direction to the Affected Organizations to take appropriate action. Currently, only five Lessons Learned/Program Clarifications are still in effect; these are 92-001, 93-001, 93-002, 94-002, and 95-001.

If you have any questions, please contact either Catherine E. Hampton at (702) 794-7973, or Cynthia A. Humphries at (702) 794-7742.

  
Donald G. Horton, Director  
Office of Quality Assurance
