RE: PHELPS DODGE CORPORATION/WESTERN NUCLEAR, INC.
SITE: SPLIT ROCK MILL
JEFFREY CITY
FREMONT COUNTY, WYOMING

Dear Ms. Brown

I am conducting an insurance coverage investigation regarding the above captioned site. As part of the investigation I would like to obtain copies of relevant documents that your agency may have in its possession.

It is my understanding that Phelps Dodge and/or Western Nuclear operated a uranium ore processing facility at the site from approximately 1957 to 1988.

I would be interested in obtaining copies of permits, correspondence, inspections, notice of violations, etc.

I can be reached at (909) 612-3364 or jbommar@travelers.com.

This request is made pursuant to 5 U.S.C. 552.

Thank you for your assistance and cooperation in this matter.

Sincerely,

Joe Bommarito
