Dear Mr. Bek:

The U.S. Nuclear Regulatory Commission (NRC) will hold its 28th Water Reactor Safety Information Meeting on October 23-25, 2000, at the Bethesda Marriott Hotel, Bethesda, Maryland. We are pleased to invite you to attend and participate in this meeting.

A session will be held on high-burnup fuel during the meeting. This session will contain presentations from the U.S., France, Germany, and Japan on high-burnup fuel research that is related to your work. The high-burnup session is scheduled for Tuesday morning, October 24.

An agenda and registration information can be found at www.wrsm.bnl.gov. I look forward to seeing you in October.

Sincerely,

/RA/

Ralph O. Meyer
