Ladies/Gentlemen:

Docket 30-305
 Operating License DPR-43
 Kewaunee Nuclear Power Plant

In accordance with the provisions of 10 CFR 40.4(b)(4), enclosed you will find the original and three (3) copies of each of the following Kewaunee Nuclear Power Plant (KNPP) documents.

- Revision 13 to KNPP Security Manual
- Revision 2 to the KNPP Security Training and Qualification Manual
- Revision 2 to the KNPP Security Contingency Plan

A Screening Criteria Form with a description of several specific changes and the criteria of review has been included as Attachment A to this letter to aid in your review. These changes are being made to incorporate modifications made due to the change of Licensee from Wisconsin Public Service Corporation to the Nuclear Management Company and several other minor administrative changes. The actual documents have been included as Attachment B.

The majority of changes with the Plans are due to the change of Licensee from Wisconsin Public Service Corporation to the Nuclear Management Company. These and other administrative or grammatical changes have not been highlighted with margin markings. The Security Contingency Plan has been issued in its entirety due to a change in format and layout.
