MEMORANDUM FOR DISTRIBUTION

SUBJECT: Nominations for the National Operations Security Awards

The Twelfth National Operations Security (OPSEC) Conference will be held in Tampa, Florida during June 2001. Nominations are being solicited for presentation of the National Operations Security Individual, Organizational, Multi-Media and Literature Achievement Awards, a vital part of the Conference. As in the past, the Multi-Media and Literature categories will allow participants to display or present the results of their endeavors in these fields, as well as to receive official recognition during the Awards Luncheon.

The success of this program rests upon your personal support as we seek to recognize individual and organizational excellence in the area of Operations Security. The nomination packet is available on our web site, www.iooss.gov; a hard copy will be mailed upon request. **NEW THIS YEAR-** any government employee or supporting contractor may forward an unlimited number of submissions in any category with the approval of their senior government official. Help us to recognize the best in your organization.

Nominations must be received by the Interagency OPSEC Support Staff at the above-mentioned address by close of business 15 December 2000. Negative responses are requested to help ensure the completeness of our records.

Any questions concerning the National Operations Security Awards Program, including eligibility and nomination procedures, may be addressed to the Program Administrator, Ms. Sandra J. Weizer, (301) 982-0323.
