PSEG Nuclear License Transfer and Conforming License Amendments
Supporting Reorganization of Public Service Electric and Gas Company

On August 11, 2000, Public Service Electric and Gas Company (PSE&G) submitted a letter (E. C. Simpson to Samuel Collins, PSE&G reference LRN-00-0318) concerning the subject license transfer, which provided the NRC with information concerning the date of closure of PSE&G's restructuring transactions. In that letter, PSE&G requested that the confidential business information contained in that letter be withheld from public disclosure pursuant to 10 CFR 2.790(a)(4). Since the information contained in the April 11th letter is no longer held by PSEG Nuclear and PSE&G as confidential business information, PSEG Nuclear hereby withdraws that letter's associated 10 CFR 2.790(a)(4) request for withholding from public disclosure.

Should you have any questions, please contact Jeff Keenan at 856-339-5429.

Sincerely,

Gabor Salamon
Manager - Licensing
