**APPLICANT'S UNOPPOSED REQUEST FOR EXTENSION OF
TIME TO FILE CORRECTIONS TO THE TRANSCRIPT OF THE
EVIDENTIARY HEARING AND PROPOSED REDACTIONS OF
PROPRIETARY INFORMATION**

Private Fuel Storage L.L.C. ("Applicant") hereby requests an extension of time in which to file proposed corrections to the transcript and proposed redactions of proprietary information from the transcript and exhibits from the evidentiary hearing held last June. At the hearing, the Board directed the parties to jointly file transcript corrections and proposed redactions of proprietary information by September 11, 2000. Tr. 1412-18, 2681-83. Applicant requests an extension of time of four days to Friday, September 15, 2000, in which to do so.

Applicant is aware of the Board's instruction that motions for extension of time should be filed at least three days prior to deadlines, absent good cause. There is a large volume of material to be reviewed and agreed upon—the transcript of the hearing alone is over 1,300 pages long. Counsel for the Applicant have been diligently working on the

corrections and proposed redactions since the filing of replies to the parties' proposed findings of fact on August 28 and will be sending Applicant's proposed corrections and redactions to the State and the NRC Staff today for their review.¹ Nevertheless, counsel working on the corrections and redactions were unable to complete the work because of a medical emergency that occurred in the family of one attorney and because of a previously planned vacation taken by another.

Applicant therefore requests an extension of time of four days to Friday, September 15, 2000 to file the transcript corrections and proposed redactions of proprietary information. Applicant has conferred with counsel for the State and the NRC Staff, who do not oppose this request for an extension.

Respectfully submitted,
