

November 20, 1998

MEMORANDUM TO: William D. Travers  
Executive Director for Operations

FROM: John C. Hoyle, Secretary /s/

SUBJECT: STAFF REQUIREMENTS - SECY-98-255 - EARLY PUBLIC  
INPUT ON COMPREHENSIVE RULE ON GENERALLY  
LICENSED DEVICES

This is to advise you that the Commission has not objected to the staff's proposal to post draft copies of the Federal Register notice and the regulatory analysis on NRC's Technical Conference Forum website when the draft package is provided to the Agreement States for review. The Commission commends the staff for revising its rulemaking process to incorporate early posting of rules on the website as standard operating procedure, subject to Commission approval.
