SUBJECT: REQUEST FOR MEETING RELATED TO CONFIRMATORY ORDER
MODIFYING LICENSE - WATERFORD 3

Dear Mr. Dugger:

This letter responds to the request you made in your July 27, 2000, letter which consented to the Confirmatory Order outlined in our July 21, 2000, letter. Specifically, you requested a meeting with the staff to discuss two issues: (1) What constitutes fulfillment of the subject confirmatory order, and (2) What are the criteria for determining success in the referenced force-on-force exercises?

The first issue could be addressed by telephone. Specific questions that you or your staff may have about the administrative aspects of closing the Order can be discussed with Mr. Gary Sanborn of my staff. Mr. Sanborn can be reached at 817-860-8222.

Regarding the second issue, we consider the September 6, 2000, public meeting on future force-on-force exercises at nuclear power plants to meet the intent of the meeting you requested. Mr. David Madere of your staff attended that public meeting.

If there are any remaining questions, we would be pleased to discuss them with you.

Sincerely,

/RA/

Ellis W. Merschoff
