Ms. Patricia Gorman
Deputy Director
Conference of Radiation Control
Program Directors, Inc.
205 Capital Avenue
Frankfort, KY 40601

Dear Ms. Gorman:

In your August 15, 2000 letter, you requested NRC concurrence on the final Part F to the Suggested State Regulations for Control of Radiation, "Diagnostic X-Rays and Imaging Systems in the Healing Arts."

Given that this Part is outside of NRC's regulatory authority, we did not conduct a peer review, and therefore, have no comments. If you have any questions, please contact me or Thomas O'Brien at (301) 415-2308.

Sincerely,

/RA By Lloyd Bolling Acting for/
