SUBJECT:

(1) response to his e-mail, dated May 4, 1999; and (2) request for legible drawings

SUMMARY:

(1) I responded by telephone to Mr. Stein's e-mail asking if representatives of the food industry could attend the briefing for Dr. Paperiello on May 11, 1999. I told him that the meeting is open to the public and the persons could attend. (2) I also asked him to provide NRC with legible drawings to replace the ones in Exhibit 8 of the application. Specifically, the drawings in Exhibit 8 are assembly drawings which had been reduced to 8 ½ x 11 inch, too small to read the text and the numbers. He said that he will send NRC 7 sets of replacement drawings, 11 x 17 size if legible, or full size ones, in about 2 weeks.

ACTION REQUIRED:

NRC team leader to distribute replacement drawings to review team members.
