Dear Ms. Beardsley,

Per our conversation, attached are two letters for Dr. Michael Steltz and Dr. William Corse verifying their participation in reading of Nuclear Medicine studies. We wish to cancel our request for consideration of Dr. George Brackin as an authorized user at this time.

If you would need any further information, I may be reached at 215-361-4503.

Sincerely,

Diane Zglenski

Dear Ms. Beardsley,

This is a letter to verify that Dr. Michael Steltz, M.D. has interpreted Nuclear Medicine scans at North Penn Hospital under my direction from July 1990 to August 31, 2000.

Sincerely,

Dr. Seyed Hashemi, M.D.
Radiologist

Dear Ms. Beardsley:

Dr. William Corse has been reading Nuclear Medicine studies under my supervision at Doylestown Hospital dating back to August, 1999. Please do not hesitate to contact me if any additional information is required.

Sincerely,

Debora S. Fineman, M.D.
