MEMORANDUM TO: L. Joseph Callan
Executive Director for Operations

FROM: John C. Hoyle /s/

SUBJECT: STAFF REQUIREMENTS: SECY 98-069 - APPOINTMENT OF
THREE INDIVIDUALS TO FILL THE VACANCIES ON THE
ADVISORY COMMITTEE FOR THE MEDICAL USES OF
ISOTOPES

The Commission approved the appointment of the following individuals to three year terms as members of the Advisory Committee for Medical Uses of Isotopes:

Manuel D. Cerqueira, M.D. - Physician practicing Nuclear Cardiology
Nekita O. Hobson - Patients Rights and Care Advocate
Ruth E. McBurney - State or Local Government Perspective

As the next step in the appointment process, the three individuals should be requested to complete the appropriate personnel and statements of Employment and Financial Interests forms (SF 450) for review by OGC and the Office of Human Resources.

Following resolution of any concerns expressed by the Offices of Human Resources and the General Counsel, the staff should forward to the Office of the Secretary a letter of appointment for the Chairman's signature.
