MEMORANDUM TO: L. Joseph Callan
Executive Director for Operations

Carlton R. Stoiber, Director
Office of International Programs

FROM: John C. Hoyle, Secretary /s/

SUBJECT: STAFF REQUIREMENTS - SECY-98-180 - REQUEST FOR
COMMISSION WAIVER OF STAFF COST RECOVERY POLICY
FOR WORK PERFORMED FOR THE U.S. AGENCY FOR
INTERNATIONAL DEVELOPMENT

The Commission has approved a waiver of the policy requirement for recovery of staff costs from the U.S. Agency for International Development (AID) associated with the work in Lithuania (\$0.65 million and .3 FTE) and the existing Central and Eastern Europe (CEE) interagency agreement (\$0.215 million and a small fraction of the Lithuania FTE). The staff should continue to pursue additional discussions with AID, including a possible Commission meeting, to seek AID approval for providing the full recovery of NRC costs. The staff should also inform AID that this waiver approval does not signal a Commission position on the other reimbursable agreement request involving a far higher commitment of NRC FTE that is currently under review.
