NUCLEAR SERVICES 10 CFR 2.206 PETITION

Dear Mr. Doyle:

On September 14, 2000, a telephone conference call was held between you, your representative Mr. Stephen Kohn, representatives of Westinghouse Electric Company, and members of the Petition Review Board (PRB). The purpose of the telephone conference was to provide an opportunity to explain to members of the PRB the action requested in your July 18, 2000, petition, its basis, and answer any questions raised by the NRC staff. The telephone conference was transcribed, and a copy of the transcript is enclosed. This transcript will be made available to the public, as was your original petition. If you have any questions, please contact me at (301) 415-3055.

Sincerely,
