Subject: Amendments to Registrations numbered NR 0339 D102G and NR 0339 D103S

Dear Sir or Madam:

Please be advised that effective August 1, 2000, BICRON, a division of Saint-Gobain Industrial Ceramics, Inc. has changed its name to Saint-Gobain Crystals and Detectors, a division of Saint-Gobain Ceramics and Plastics.

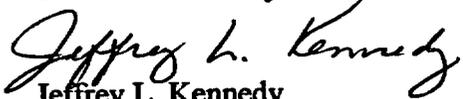

Two plants affected by this name change are located at 6801 Cochran Road, Solon, Ohio 44139 and 12345 Kinsman Road, Newbury, Ohio 44065.

This is a structural reorganization of the business; not a sale. The two sites noted above will continue to operate in the same manner, at the same locations and with the same personnel.

Please amend the above referenced Registrations to reflect this change.

If you have any questions or require additional information, please call me at 440-248-7400.

Sincerely,
Saint-Gobain Crystals and Detectors/SGCP
