1/15 WCAP-13877  
Rev 2P-A*

This letter transmits the approved versions of the proprietary and non-proprietary WCAPs in accordance with the procedures established in NUREG-0390. WCAP-13877, Rev 2-P was transmitted to the NRC by Westinghouse letter (Reference 1) for review and evaluation of corrections made in the WCAP. The NRC Safety Evaluation Report (SER) transmittal letter (Reference 2), approving the WCAP report states that the changes made in WCAP-13877, Rev 2-P do not change the conclusions of the staff's safety evaluation for Revision 1 of this WCAP, that is, WCAP-13877 Rev 2-P may be referenced in license amendment applications for other Westinghouse pressurized water reactors. The non-proprietary document (WCAP-14129 Revision 2-NP-A) contains the SER (Reference 2) and is bracketed in accordance with the Proprietary Information Notice AW-00-1413.

The reports transmitted herewith each bear a Westinghouse copyright notice. The NRC is permitted to make the number of copies of the information contained in these reports which are necessary for its internal use in connection with generic and plant-specific reviews and approvals as well as the issuance, denial, amendment, transfer, renewal, modification, suspension, revocation, or violation of a license, permit, order, or regulation subject to the requirements of 10 CFR 2.790 regarding restrictions on public disclosure to the extent such information has been identified as proprietary by Westinghouse, copyright protection notwithstanding. With respect to the non-proprietary versions of these reports, the NRC is permitted to make the number of copies beyond those necessary for its internal use which are necessary in order to have one copy available for public viewing in the appropriate docket files in the public document room in Washington, D. C. and in local public document rooms as may be required by NRC regulations if the number of copies submitted is insufficient for this purpose. Copies made by the NRC must include the copyright notice in all instances and the proprietary notice if the original was identified as proprietary.

As this report, WCAP-13877, Revision 2-P-A contains information proprietary to Westinghouse Electric Company, it is being transmitted with affidavits signed by Westinghouse, the owner of the information. The affidavits set forth the basis on which the information be withheld from public disclosure by the Commission and addresses with specificity the considerations listed in paragraph (b) (4) of Section 2.790 of the Commission's regulations. Accordingly, it is respectfully requested that the information which is proprietary be withheld from public disclosure in accordance with 10 CFR Section 2.790 of the Commission's regulations.

Correspondence with respect to the proprietary aspect of the Applications for Withholding or the supporting Westinghouse affidavits should reference AW-00-1413 as appropriate and should be addressed to Mr. H. A. Sepp, Manager, Regulatory and Licensing Engineering, Westinghouse Electric Company LLC, P. O. Box 355, Pittsburgh, PA 15230-0355.
