NO RADIOACTIVE WASTE TRANSPORT

THROUGH OUR COMMUNITIES

TO SKULL VALLEY, UTAH!!!

We, the undersigned, are residents of corridor communities - of neighborhoods and towns along the roads and rails that would be impacted by shipments of high-level radioactive waste if a radioactive waste dump is established on land owned by the Skull Valley Band of the Goshute Tribe in Utah.

We urge you: (1) to hold public hearings in our corridor communities regarding the Draft Environmental Impact Statement so that we can express our concerns to you about the transport of the wastes and the hazards of the proposed site; and (2) to extend the public comment period.

Sidney J. Goodman
