Dear Mr. Pody:

This is in response to your recent request for a list of fixed gauge licensees in NRC Region I. The enclosed printout includes the name, address, telephone number and license number of all fixed gauge licensees in NRC states in Region I.

Region I includes the States of Connecticut, Delaware, Maine*, Maryland*, Massachusetts*, New Hampshire*, New Jersey, New York*, Pennsylvania, Rhode Island*, Vermont and the District of Columbia. Please note that a number of these states (those indicated with an asterisk) are Agreement States, i.e. states that have entered into an agreement with the NRC to regulate radioactive materials users in their States. You should contact those States individually for a listing of gauge licensees in their jurisdiction. A list of State contacts is enclosed.
