I. SECY-96-232 - Emerick S. McDaniel (Denial of Application for  
Reactor Operator License) LBP-96-17, Docket No. 55-21849-OT

The Commission approved an order denying a Petition for Review of LBP-96-17 submitted by Mr. Emerick S. McDaniel. In LBP-96-17, the Presiding Officer rejected Mr. McDaniel's claim that he had passed his written examination to become a reactor operator at the Vogtle plant.

The Commission approved an Order denying the Petition for Review. The Order notes the Petition failed to raise any substantial question justifying Commission review.

(Subsequently, on November 13, 1996, the Acting Secretary signed the Order.)
