COPIES OF ENVIRONMENTAL ASSESSMENT (EA) REFERENCES

Enclosed are the EA references that you recently requested. This set represents those references that are expected to be cited in the final EA that did not appear in the December 1984 draft EA. Enclosure 1 is an alphabetical listing of all the references in this shipment. Enclosure 2 is a list of references expected to be cited in the final EA which are not yet available. The references on enclosure 2 will be shipped to you as soon as possible.
