Dear Mr. Baschkin:

Reference is made to your letter of January 30, 1960 (File O11-1) requesting a copy of the paper which I presented at the Western Industrial Radioisotopes Conference in San Francisco.

The paper presented in San Francisco is identical to the one presented at the Detroit Conference on the Industrial Uses of Radioisotopes in December 1959. A copy of this paper was sent you in response to your letter of November 27, 1959 (File 129-3). In the event you did not receive this paper, please let me know and I will be glad to send you another copy.

Very truly yours,

Original Signed By
