Re: Private Fuel Storage – Docket No. 72-22 – ASLBP No. 97-732-02

To the Secretary of the Commission:

Today, Private Fuel Storage (“PFS”) is submitting Applicant’s Response to State of Utah’s Request to Disclose Evidentiary Material Relating to the Hearing on Contention Utah E/Confederated Tribes F and Request to Reply and supporting Declaration of John Parkyn. These materials contain confidential commercial and financial information from the proprietary testimony and exhibits filed by PFS (and other parties) for Utah E and related confidential commercial and financial information from testimony given at the hearing in Salt Lake City on June 20-22 and June 27. Therefore, for the reasons set forth in the affidavit of John D. Parkyn dated May 15, 2000, filed in conjunction with PFS’s original pre-filed testimony and Exhibits for Utah E on May 15, 2000 and the enclosed Parkyn Declaration, PFS requests that the NRC treat these materials as confidential information under 10 C.F.R. § 2.790.

If you have any questions, please contact me at (202) 663-8304.

Sincerely,

Paul A. Gaukler
