FROM: John C. Hoyle, Secretary \s\

SUBJECT: STAFF REQUIREMENTS - AFFIRMATION SESSION,

COMMISSIONERS' CONFERENCE ROOM, ONE WHITE  
FLINT NORTH, ROCKVILLE, MARYLAND (OPEN TO

I. SECY-95-177 - Georgia Institute of Technology Appeal of  
LBP-95-6

The Commission (Chairman Jackson, exercising delegated authority pursuant to a delegation from the Commission,\* in accordance with NRC Reorganization Plan No. 1 of 1980) approved an order arising out of appeals of Licensing Board Order LBP-95-6 by Georgia Institute of Technology and the NRC staff. That Licensing Board Order had granted a request for hearing and petition for leave to intervene by the Georgians Against Nuclear Energy (GANE). In June, the Commission issued a temporary "housekeeping" stay of discovery on GANE's security contention to allow the Commission to receive and consider the parties' responses to three questions. Those responses were received. The Order being issued lifts the temporary stay of discovery, vacates the Licensing Board decision on the security contention, and remands that contention to the Board for reconsideration in light of new facts.

(Subsequently, on July 26, 1995, the Secretary signed the Order.)
