MEMORANDUM TO: James M. Taylor
Executive Director for Operations

FROM: John C. Hoyle, Secretary /s/

SUBJECT: STAFF REQUIREMENTS - BRIEFING ON EEO PROGRAM,
(SECY-95-289), 2:00 P.M., THURSDAY, DECEMBER
14, 1995, COMMISSIONERS' CONFERENCE ROOM, ONE
WHITE FLINT NORTH, ROCKVILLE, MARYLAND (OPEN
TO PUBLIC ATTENDANCE)

The Commission was briefed by the NRC staff and representatives of each of the EEO advisory committees on the status of EEO programs and goals. The Commission requested that the staff report progress on the nine specific goals addressed in the Joint Statement from the advisory committees in future EEO briefings. The staff should consider feasible methods to provide constructive feedback to non-selected job candidates to enhance their potential to compete for future positions. The staff should also consider a means to monitor whether training is resulting in the promotion of employees. Further consideration should be given to a reassessment of the NRC workforce to obtain a more accurate accounting for the category of "disabled" employees.
