MEMORANDUM TO THE FILE

FROM: John C. Hoyle, Secretary /s/
SUBJECT: STAFF REQUIREMENTS - BRIEFING BY DOE ON HLW
LICENSING SUPPORT SYSTEM (LSS), 10:00 A.M.,
FRIDAY, MAY 12, 1995, COMMISSIONERS'
CONFERENCE ROOM, ONE WHITE FLINT NORTH,
ROCKVILLE, MARYLAND (OPEN TO PUBLIC
ATTENDANCE)

The Commission was briefed by DOE on the status of the Licensing Support System (LSS). The Commission suggested that every effort be made to define the criteria for the inclusion of documents in the LSS more precisely as soon as possible since documentation is already being produced and decisions on their inclusion in the LSS are already being made. A project to prototype LSS functionality should also be undertaken as soon as possible in order to identify issues related to LSS procedures and processes. The Commission expressed concern about the level of FTE to be devoted to the LSS and suggested the desirability of naming a full time manager to coordinate DOE's LSS effort.

There were no requirements identified for staff action.
